

be advanced to E & R for engrossment.

SPEAKER: Senator Kremer.

SENATOR KRAMER: Mr. Chairman, the committee failed to detect a conflict of dates in this bill. We are going to have to amend the bill 163, so I suppose it has to move on and then bring it back. Is this right?

CLERK:....by unanimous consent.

SENATOR KREMER: Then I'll ask unanimous consent..

SPEAKER: On a bill that is on Select File, Senator, you can attach a unanimous consent amendment, if there are no objections.

SENATOR KREMER: I ask unanimous consent, Mr. Chairman, then I will explain what the amendment did. There is a conflict of dates. Then the purpose of this amendment is to alleviate these conflicts. The bill has the Emergency clause, so that the bill becomes effective immediately, but in Section 4 which affects the Merrick County land, the transfer can be made as soon as possible and this straightens out this conflict only. That's all that it does, so I ask unanimous consent for the adoption of the amendment and I'll pass it up to the clerk's desk.

SPEAKER: Are there any objections to Senator Kremer's request for unanimous consent amendment. If there are no objections, it is so ordered and the amendment is adopted. Now, Senator Cavanaugh, what will you do with the bill.

SENATOR CAVANAUGH: Mr. President, I move that LB 163 as amended be advanced to E & R for engrossment.

SPEAKER: And Senator, we have adopted the Committee amendments, right? All right. Is there any discussion on the advancement of the bill as amended? If not, all those in favor say aye. Those opposed no. The bill is advanced as amended.

SENATOR CAVANAUGH: Mr. President, I move the adoption of the E & R amendments to LB 276.

SPEAKER: It has been moved that the amendments be adopted. Is there any discussion? All those in favor say aye. Those opposed no. The amendments are adopted.

SENATOR CAVANAUGH: Mr. President, I move that LB 276 as amended be advanced to E & R for engrossment.

SPEAKER: Is there any discussion as to the advancement of the bill? If not, all those in favor of advancing the bill as amended say aye. Those opposed no. The bill is advanced as amended.

SENATOR CAVANAUGH: Mr. President, I move LB....

SPEAKER: Just one second, please, Senator Cavanaugh.

CLERK: Mr. President, we have an unanimous consent amendment to LB 373 from Senator Fred Carstens. Read.

SENATOR FRED CARSTENS: Mr. President, members of the Legislature, this amendment was prepared and I have put it on...asked to be put on 373. This is Senator Fowler's bill and I have talked this over with him. He understands it. I was going to put it on a bill that Senator Marsh had but it fits better on this bill and it is by mutual agreement and consent that this be done. Very briefly, when city...city councils and city boards frequently pass ordinances creating paving districts, sewer dis-
